I/We have read the CREDIT VERIFICATION POLICY and with our signature(s) below, we attest that:

- I/We understand that MDHSA does not award a diploma to anyone in this program.
- That this program is only a Credit Verification Service, to lend weight to the student's transcript. MDHSA is only verifying credits, not graduation requirements.
- That MDHSA cannot guarantee that your student will be accepted into college anymore than any other school can guarantee it.
- I/We will not hold MDHSA responsible for any problems as a result of issuing a parent issued diploma or using the MDHSA CVS/Transcript.
- I/We will, to the best of our knowledge, demonstrate that the work done and presented to the validator is true and ethical.
- We will abide by our state laws as they apply to this service. It is our responsibility to search and know our state law regarding homeschooling or graduation requirements.
- I/We will not put the name of Mason Dixon Homeschoolers Association as the name of my school on the diploma.
