

MDHSA Credit Verification Service Validators

The following are validators who may be contacted to validate homeschooling courses for transcripts.

If anyone has questions, please e-mail them to mdhsacreditverser@pa.net or call 717-749-5767 and leave a message. If you are interested in having your name added to the approved list of validators, read the Credit Verificaton Service handbook on our website (www.mdhsa-pa.org), fill out the Validator Agreement Form (also found on the website under forms and applications) and mail along with appropriate credentials to the MDHSA Office, 32 West Main Street #5, Waynesboro, PA 17268. If you are currently on the MDHSA list of approved Diploma Program Evaluators, you need not send your credentials but you do need to send a signed Validator Agreement before you are considered an approved Validator.
